When it comes to getting the best results, practice really does make perfect! Matched to the requirements of the National Curriculum, this Maths Practice Workbook is designed to target every topic in Year 6. Based on new research that proves repeated practice is more effective than repeated study, this book is guaranteed to help improve performance in tests and assessments.

- Questions for every topic organized into three levels of increasing difficulty
- Progress tests throughout the book for ongoing assessment
- Children can record their results and track their own progress
- Pull-out answer section included
